Help an Orphan

Hayes Jewelers is located at 5456 Cottage Hill Road in Mobile. Mary Hayes works with a ministry that is involved with children in China. They provide quilts and blankets for orphaned children. The idea is a blanket is personal and a child can take it with them as they move from place to place. Here is how you can participate and be rewarded. If you take a child's blanket or quilt to Mary at Hayes Jewelers, she will give you a set of Pearl Earrings as a "thank you". The blanket or quilt that you donate, will be delivered to the child in China during Christmas.
