

PITSTOP

This is a page of our website in progress, obviously! Our goal with this page is to have a Realtor from every county in the U.S. send us a 30 second to 3 minute video of their favorite location in their county. We want to highlight each county and remind everyone that there is beauty out there, usually just a few miles away. You just need to go find it! Mike, my photographer husband, has shot several sunrises/sunsets at the beach with the waves lapping in along our gorgeous Gulf Coast – and we will be placing them here soon. We also plan on adding an option for the viewers to listen to the sounds from the videos or play inspirational music. So, once this page is up and running, enjoy!
